

Student Achievement Disclosures

Summary of Institution Mission and Student Achievement

Eckerd Connects | Academy (ECA) applies a strength-based approach to support the continuing academic needs of those within the Eckerd Connects System of Care through quality distance education to achieve postsecondary readiness.

Institutional Goals

Eckerd Connects | Academy's institutional goals support the achievement of its mission:

- Master academic skills learning to career and technical education advancement.
- Provide an opportunity to achieve a standard high school diploma.
- Inspire a renewed enthusiasm for learning through a hybrid curriculum.
- Improve students' self-esteem, leadership, problem-solving, and communication skills through the course of studies offered at ECA.

Aggregated Institutional Data on Student Achievement

In 2024, its third year of operation, Eckerd Connects | Academy's graduation rate for its 36 enrolled students was 61% with 11 students completing over the course of the year. The retention rate is 50% and the average CGPA was 2.98

Eckerd Connects | Academy has offered its high school diploma program since January 2022, and graduation, retention, and CGPA rate data provide an opportunity for improvement as the institution continues to support students in achieving their academic goals.
